Subject: Sale of City-Owned Real Property - 145 North Lassen Street

---

**Recommendation:**

Adopt Resolution No. XX-2026 authorizing the sale of City-owned real property located at 145 North Lassen Street, Willows, California (APN 002-101-006-000), to Bonnie Pavlovich for a purchase price of \$231,500, subject to the terms and conditions of the Purchase and Sale Agreement.

**Rationale for Recommendation:**

The proposed sale allows the City to divest itself of surplus real property, return the property to private ownership, and generate revenue for the City, consistent with City Council policy and applicable state law.

**Background:**

The City of Willows is the owner of real property commonly known as 145 North Lassen Street, Willows, California (APN 002-101-006-000). The City Council has previously determined that the property qualifies as exempt surplus land pursuant to Government Code section 54221(f)(1)(B).

The City has negotiated a Purchase and Sale Agreement with Bonnie Pavlovich for the sale of the property at a purchase price of \$231,500, to be paid in cash. The property will be sold on an "as-is" basis, with title conveyed by quitclaim deed.

**Discussion & Analysis:**

The proposed transaction has been reviewed by staff and complies with applicable state and local laws governing the disposition of municipal real property. The sale is consistent with the City's interest in managing its real estate assets responsibly and ensuring surplus properties are returned to productive private use. Adoption of the attached resolution will result in the following actions:

- Approve the sale of the property under the negotiated terms.
- Authorize the Mayor, or his designee, to execute the Purchase and Sale Agreement and all related escrow and conveyance documents.

- Authorize City staff to complete all actions necessary to finalize the transaction.

**Consistency with Council Priorities and Goals:**

The proposed sale supports Council goals related to sound fiscal management and efficient use of City assets.

**Fiscal Impact:**

Approval of the resolution will result in one-time revenue of \$231,500 to the City from the sale of the property. There are no anticipated ongoing fiscal impacts.

## PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is entered into as of January 13, 2026 by and between *CITY OF WILLOWS, a political subdivision of the State of California* ("Seller") and Bonnie Pavlovich ("Purchaser").

### Recitals

A. Seller owns the improved real property commonly known as 145 North Lassen Street, Willows, California (the "Property") and more particularly described as set forth in **Exhibit A** attached hereto.

B. Purchaser is the current tenant of the Property pursuant to a lease with Seller dated April 1, 2012.

C. The parties wish to provide terms and conditions for Purchaser's purchase of the Property from Seller.

NOW THEREFORE, the parties agree as follows:

### Section 1. Purchase and Sale

Seller shall sell the Property to Purchaser and Purchaser shall purchase the Property from Seller on the terms and conditions stated in this Agreement.

### Section 2. Purchase Price

The purchase price for the Property shall be \$231,500.00 ("Purchase Price"). The Purchase Price shall be paid by Purchaser as set forth below:

(a) Deposit. Within five (5) business days after the execution of this Agreement, Purchaser shall pay to Seller the sum of \$6,945.00 ("Deposit") by cash or cashier's check. Seller will place the deposit in an interest-bearing account pending the transfer of recorded title to Purchaser. All interest earned on the Deposit shall be for Purchaser's account and the Deposit shall be applied against the Purchase Price.

(b) Proof of Funds. Within five (5) business days after the execution of this Agreement, Purchaser shall demonstrate to Seller that Purchaser currently possesses adequate liquid funds to satisfy the full purchase price of the Property.

(c) Liquidated Damages. THE PARTIES AGREE THAT THE DEPOSIT AMOUNT PLUS ALL ACCRUED INTEREST, IF ANY, IS A REASONABLE SUM FOR LIQUIDATED DAMAGES SHOULD THIS TRANSACTION FAIL TO CLOSE DUE TO A MATERIAL BREACH OF THIS AGREEMENT BY PURCHASER, IN THAT, WHEN CONSIDERING ALL THE CIRCUMSTANCES EXISTING ON THE DATE OF THIS AGREEMENT, IT WOULD BE IMPRACTICABLE OR EXTREMELY DIFFICULT TO FIX THE ACTUAL DAMAGES. BY PLACING THEIR INITIALS AT THE PLACES PROVIDED, EACH PARTY AGREES THAT THE FOREGOING CONSTITUTES LIQUIDATED DAMAGES AND NOT A FORFEITURE OR PENALTY.

*Seller Initials*

*Purchaser Initials*

(d) Balance of Purchase Price. Purchaser shall pay to Seller sufficient funds to cover the balance of the Purchase Price prior to the transfer of recorded title to Purchaser. The balance of the Purchase Price shall be paid by cash or cashier's check.

### **Section 3. Closing Costs and Prorations**

Seller shall pay any transfer taxes on recordation of the deed. Purchaser shall pay all recording fees and the premium for the title insurance policy referred to in Section 5 hereof, should Purchaser desire title insurance. Prorations of real property taxes and assessments, rents, interest, and other expenses of the Property shall be prorated as of the date of recordation of the deed. Security deposits and any advance rentals shall be credited to Purchaser.

Change in ownership of the Property may cause the tax collector to assess a supplemental tax bill under California Revenue and Tax Code § 75.51 or California Government Code § 27321.

### **Section 4. Financing**

Purchaser's obligations under this Agreement are based on an all-cash purchase. Purchaser waives any contingency to acquire financing.

### **Section 5. Title "As Is"**

Seller shall convey title to the Property via quitclaim deed, thus transferring all Seller's interest to Purchaser with no warranties or covenants other than those included as part of this agreement.

- (a) Evidence of Title. Title in the form of a California Land Title Association or American Land Title Association policy of title insurance should be issued by a title company and paid by Purchaser, if Purchaser desires to insure title.
- (b) Bonds and Assessment. In the event there is a bond or assessment which has an outstanding principal balance and is a lien upon the Property, such principal shall be assumed by Purchaser. Such assumption shall not be credited against the Purchase Price.
- (c) Vested Title. The manner of taking title may have significant legal and tax consequences. Purchaser should obtain advice from its legal or tax counsel regarding this matter.

### **Section 6. Review of Property, Test, and Surveys**

Purchaser is fully aware of the condition of the Property and the improvements situated thereon. Accordingly, Purchaser waives any right to inspect the Property and conduct tests thereon.

### **Section 7. Disclaimers**

The Property and the fixtures and personal property contained therein, if any, are not new, and have been subject to normal wear and tear. Purchaser understands that Seller makes no express or implied warranty with respect to the condition of any of the Property, fixtures or personal property. Seller makes no oral or written representation regarding the age of improvements, the size and square footage of the parcel or building, or the location of property lines. Apparent boundary line indicators such as driveways, fences, hedges, walls, or other barriers may not represent the true boundary lines. Only a surveyor can determine the actual boundary lines. If any of these issues are important to Purchaser's decision to purchase, then Purchaser should investigate the Property independently. Purchaser acknowledges that it has not relied upon any representations by Seller with respect to the condition of the Property, the status of permits, zoning, or code compliance. Purchaser is to satisfy itself concerning these issues.

## **Section 8. Changes During Transaction**

During the pendency of this transaction, Seller agrees that no changes in the existing leases shall be made, nor new leases or rental agreements entered into, nor shall any substantial alterations or repairs be made or undertaken to the Property without the written consent of the Purchaser.

## **Section 9. Destruction of Improvements**

If the improvements of the Property are destroyed, materially damaged, or found to be materially defective as a result of such damage prior to transfer of recorded title, Purchaser may terminate the transaction by written notice delivered to Seller, and all unused Deposits shall be returned to Purchaser. In the event Purchaser does not elect to terminate this Agreement, Purchaser shall be entitled to receive, in addition to the Property, and insurance proceeds payable on account of the damage or destruction.

## **Section 10. Withholding**

Seller is neither a “foreign person” under FIRPTA nor a non-resident under California Revenue and Taxation Code, section 18662.

## **Section 11. Commissions**

Each party represents and warrants to the other party that no broker or finder or other real estate agent is entitled to any commission, finder's fee or other compensation resulting from any action on its part. Purchaser and Seller each agree to indemnify the other and defend and hold harmless the other party from and against any loss, cost, or expense, including attorney's fees, incurred by such party, and against any claims, causes of action or the like brought by any broker, finder or similar agent for a commission or fee on account of this Agreement.

## **Section 12. Effective Headings**

The subject headings of the paragraphs and subparagraphs of this Agreement are included for convenience only and shall not affect the construction or interpretation of any of its provisions.

## **Section 13. Entire Agreement**

This Agreement constitutes the entire agreement between the parties pertaining to the subject matter contained in it and supersedes all prior and contemporaneous agreements, representations and understandings of the parties. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all the parties.

## **Section 14. Counterparts**

This Agreement may be executed simultaneously in one (1) or more counterparts, each of which shall be deemed an original, but all of which shall constitute one (1) and the same instrument.

## **Section 15. Binding on Successors and Assigns**

This Agreement shall be binding on, and shall inure to the benefit of, the parties to it and their respective legal representatives, successors, and assigns.

## **Section 16. Attorney's Fees**

If any legal action, arbitration or other proceeding is brought involving a dispute between the parties or arising out of the execution of this Agreement or sale of the Property, the prevailing party shall be entitled to recover its costs and reasonable attorney's fees incurred in such action or proceeding, in addition to any other relief to which such party may be entitled.

## **Section 17. Agreement to Perform Necessary Acts**

Each party agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions in this Agreement.

## **Section 18. Notices**

All notices, requests, demands, and other communications under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the person to whom notice is to be given or, on the second (2nd) day after mailing if mailed to the party to whom notice is to be given, by First Class Mail, registered or certified, return receipt requested, postage prepaid and properly addressed as follows:

201 N. Lassen Street  
Willows, CA 95988

To Purchaser at: Bonnie Pavlovich  
145 N. Lassen Street  
Willows, CA 95988

Any party may change its address for purposes of this paragraph by giving the other party written notice of the new address to the other party at the address contained herein.

## **Section 19. Governing Law**

This Agreement has been negotiated and entered into in the State of California and shall be governed by, construed and enforced in accordance with the laws of the State of California and according to its fair meaning, and not in favor of or against any party.

## **Section 20. Severability**

If any provision of this Agreement is held invalid or unenforceable by any court of final jurisdiction, it is the intent of the parties that all the other provisions of this Agreement be construed to remain fully valid, enforceable and binding on the parties.

## **Section 21. Survival of Representations and Warranties**

All covenants, representations, warranties, and other agreements under this Agreement shall survive the transfer of title.

### **Section 22. Time is of the Essence**

Time is of the essence and performance of this Agreement in respect to all provisions of this Agreement that specify a time for performance, and failure to comply with this provision shall be a material breach of this Agreement.

### **Section 23. Saturdays, Sundays, and Holidays**

If any date by which an election or a notice must be given falls on a Saturday, Sunday or holiday, then the date by which an election or notice must be given is extended to 5:00 p.m. on the next business day following such Saturday, Sunday or holiday.

### **Section 24. Waiver**

No breach of any provision of this Agreement can be waived unless in writing. Waiver of any one breach of a provision hereof shall not be deemed to be a waiver of any other breach of the same or any other provision, including the time for performance of any such provision. The exercise by a party of any remedy provided in this Agreement or at law shall not prevent the exercise by that party of any other remedy provided in this Agreement or at law.

### **Section 25. Arbitration of Disputes**

Any dispute or claim in law or equity between Purchaser and Seller arising out of this Agreement shall be decided by neutral, binding arbitration and not by Court action, except as provided by California law for judicial review of arbitration proceedings. The arbitration shall be conducted in accordance with the rules of the American Arbitration Association ("AAA") commercial rules. The arbitration shall be conducted in accordance with Part III, Title 9 of the California Code of Civ. Procedure. Judgment upon the award rendered by the arbitrator may be entered in any Court having jurisdiction thereof. The parties shall have the right to discovery in accordance with Code Civ. Proc., § 1283.05.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Subject: Volunteer Firefighter Assistance Grant

---

**Recommendation:**

Adopt Resolution XX-2026 (Attachment 1), authorizing the City Manager, or her designee, to sign and accept \$8,350 of grant funding through CAL FIRE's Volunteer Firefighter Assistance (VFA) Grant.

**Rationale for Recommendation:**

The City of Willows Fire Department needs to replace some of its wildland firefighting and communications equipment.

**Background:**

The VFA Grant is a federally funded grant program that allows California to provide rural fire departments with firefighter training, communications, and safety equipment for their volunteer firefighters. The VFA grant requires a 50/50 match with the local jurisdiction. Awards are set for a minimum of \$500 and a maximum of \$20,000. The City of Willows is the type of community that the VFA grant was designed for. Applicants must serve a population of less than 10,000 people and be in a rural setting. Grant awards are determined at the local CAL FIRE Unit level. As part of the grant acceptance process, CAL FIRE requires a resolution accepting the funds after the award date.

**Discussion & Analysis:**

If accepted, grant funds will be used to purchase wildland back pumps, drip torches, hose clamps, and 10 emergency dispatch pagers. Reliable personal protective equipment is an integral part of the City of Willows Fire Department's core mission: To protect life, property, and environment. The VFA grant provides the City of Willows the opportunity to purchase the required equipment at a 50% discount. This is a reimbursable grant, and \$16,700 of expenditures must be made on grant related activities to receive the \$8350 reimbursement.

**Consistency with Council Priorities and Goals:**

The staff recommendation is consistent with Council Priority #1: Financial Stability, Priority #3: Public Safety, and Priority #6: Quality of Life.

**Fiscal Impact:**

If the VFA grant is awarded, and council approves Resolution 2026-XX, the fiscal impact to the City of Willows will be \$8,350. Staff anticipated award of this grant, and the required matching funds were already built into the approved 2025-2026 budget.

Subject: Planning Commission Appointment

---

**Recommendation:**

Re-appoint Sherry Brott to the Willows Planning Commission for the term ending December 31, 2029.

**Rationale for Recommendation:**

Two Planning Commission vacancies occurred due to terms expiring on December 31, 2025. Only one of the current commissioners has expressed interest in continuing service.

**Background:**

On December 31, 2025, the terms of Planning Commissioners Sherry Brott and Cristina Ocampo expired. Applications for appointments to the Planning Commission were advertised beginning November 26, 2025; however, no applications were received by the deadline of December 29, 2025. Since then, however, Commissioner Brott has expressed interest in continuing to serve on the Planning Commission.

**Discussion & Analysis:**

Given Ms. Brott's expressed interest in continued service, staff recommends her re-appointment to the Planning Commission. Ms. Brott has previously served as Chair and has demonstrated ongoing commitment, experience, and competence in fulfilling the responsibilities of a Planning Commissioner. If approved, Ms. Brott will be sworn in at the January 20, 2026, Special Planning Commission Meeting.

**Consistency with Council Priorities and Goals:**

The proposed position is consistent with Council Priority #2: Economic Development.

**Fiscal Impact:**

There is no fiscal impact.

Subject: Wastewater Treatment Plant - Filter Crack Repair Structural Specifications and Plans

---

**Recommendation:**

Authorize the City Manager, or her designee, to execute an amendment to the city's contract with VE Solutions in an amount not to exceed \$5,400 of sewer bond funds.

**Rationale for Recommendation:**

A Wastewater Treatment Plant (WWTP) filter structure requires immediate repair and the cost exceeds the City Manager's budget authority and City Council approval is required according to Willows Municipal Code 3.05.090.

**Background:**

In late August 2025, WWTP staff observed that cracking at a filter structure overhang appeared to be worsening (Attachment 1). On October 28, 2025, the City entered into a professional services agreement with VE Solutions for Phase I structural engineering services, including a site visit, review of existing conditions, and preparation of conceptual repair details, and a defined scope and fee proposal for Phase II. Phase I was authorized on a time and materials basis with a not to exceed amount of \$3,900, and Phase II, the preparation of construction bid documents and support during construction, was identified but not authorized at that time. Following completion of the Phase I assessment and conceptual repair work, staff now recommends authorization to amend the VE Solutions contract to proceed with the final design stage needed to produce construction bid documents and move the project into bidding and construction, consistent with the staff report recommendation.

**Discussion & Analysis:**

Inframark reported that a structural engineer's preliminary feedback attributed the cracking to voids around reinforcing steel, likely from inadequate vibration and consolidation during the original pour, which allowed water intrusion and rebar corrosion, and suggested a concept repair approach that included adding pillar support for the overhang, applying corrosion inhibitor treatment, and patching the damaged concrete.

Staff recommend amending the VE Solutions contract, not to exceed \$5,400, to allow timely implementation of the engineered repair solution and coordination with WWTP operations. If the engineer's final design identifies additional scope beyond this authorization, staff will return to City Council with a recommendation to supplement the project budget.

**Consistency with Council Priorities and Goals:**

The proposed project is consistent with Council Priority #4: Infrastructure Improvement to invest in deferred maintenance.

**Fiscal Impact:**

There is no General Fund impact. The remaining sewer bond funds will be able to absorb the \$5,400 required for this project.

To: Honorable Mayor and Councilmembers

From: Nathan Monck, Fire Chief

Subject: 2025 California Fire Code and Willows Municipal Code Chapter 15.15  
Amendment

---

**Recommendation:**

Adopt Ordinance XX-2026 entitled "AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF WILLOWS, REPEALING, REPLACING, AND/OR AMENDING CERTAIN SECTIONS OF CHAPTER 15.15 OF THE CITY OF WILLOWS MUNICIPAL CODE, TO ADOPT BY REFERENCE AND AMEND CERTAIN PORTIONS OF THE 2025 CALIFORNIA FIRE CODES AND APPROVE THE LOCAL FINDINGS AS SET FORTH IN THE CODES WITH THE REMAINING SECTIONS CURRENTLY IN PLACE TO REMAIN UNCHANGED," by title only and waive the full reading of the text.

**Rationale for Recommendation:**

The intent of the staff recommendation is twofold: first, it is to ensure that the City of Willows conforms to the State Fire Code and that the Citizens and Visitors of Willows are conducting business in safely constructed and maintained buildings; and second, it is to implement a common-sense approach to fire protection in the City of Willows ensuring that businesses and developers are not prevented from building or expanding due to costly fire protection upgrades.

**Background:**

As part of periodic review of the Fire Code, the California Building Standards Commission's 2025 published California Fire Code will become effective January 1, 2025. State law permits local jurisdictions to amend the local fire code to be more restrictive (at the discretion of the Council); however, local jurisdictions may not make the municipal fire code less restrictive than the California State Fire Code.

The proposed ordinance (Attachment 1) recommends adoption of the 2025 California State Fire Code and amends the previous local ordinances for fire protection systems.

**Discussion & Analysis:**

Below is a summary of the proposed change to the Willows Municipal Code:

▪ **15.15.110 Sprinkler Systems**

Amend Section B to the following: " All Commercial and Industrial occupancies required by the California Fire Code to have an automatic sprinkler system shall have a Fire Department Connection (FDC) identified, accessible, and placed within 50' of a City standard hydrant.

This change eliminates mention of a specified year of the fire code, which should limit the need for future code amendments.

**Fiscal Impact:**

Other than staff time, the only anticipated expense is the need to purchase new code books for staff use.

Subject: 2025 California Building Standards Code and Willows Municipal Code Title 15 -  
Buildings and Construction Amendment

---

**Recommendation:**

Adopt Ordinance XX-2026 entitled "AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF WILLOWS, ADOPTING BY REFERENCE THE 2025 CALIFORNIA BUILDING STANDARDS CODE AND ADOPTING LOCAL AMENDMENTS THERETO IN TITLE 15 OF THE WILLOWS MUNICIPAL CODE, INCLUDING REPEALING AND RE-ENACTING CHAPTERS 15.10, 15.11, 15.20, 15.30, 15.35, 15.70, 15.75, 15.80, 15.85, 15.90, 15.91 AND 15.95.2." by title only and waive the full reading of the text.

**Rationale for Recommendation:**

The attached Ordinance (Attachment 1) is required in order to adopt the State's 2025 Building Standards Code, effective January 1, 2026, and to ensure that Title 15 is consistent with current law. It also updates the City's local amendments so that permit, plan review, and valuation-based fees are clearly established and collected in accordance with the City of Willows Master Fee Schedule.

**Background:**

The California Building Standards Code, Title 24 of the California Code of Regulations, is updated every three years. The City of Willows currently enforces the 2022 California Building Standards Code, which was adopted by reference with local amendments in Title 15 of the Willows Municipal Code. The State has now completed the next triennial cycle; the 2025 California Building Standards Code was published July 1, 2025, and becomes effective January 1, 2026.

Under State law, cities are required to enforce the current State building standards and may adopt the codes by reference, together with more restrictive local amendments supported by findings of local climatic, geological, or topographical conditions. This Ordinance updates Title 15 to adopt the 2025 code cycle and retains the City's existing local amendments, while also updating the fee and valuation provisions so they are tied to the City's Master Fee Schedule.

**Discussion & Analysis:**

The proposed Ordinance No. XX 2025 updates Title 15 of the Willows Municipal Code to adopt by reference the 2025 California Building Standards Code and to replace all remaining references to the 2022 code cycle with the 2025 editions. This includes re-adopting, by reference, the 2025 California Building Code, Residential Code, Electrical Code, Mechanical Code, Plumbing Code, Administrative Code, Energy Code, Historical Building Code, Green Building Standards Code ('CALGreen'), Referenced Standards Code, and the current State elevator regulations in Title 8 of the California Code of Regulations. The ordinance also confirms that at least one copy of each adopted code is on file with the City Clerk for public inspection, as required by Government Code section 50022.3.

In addition, the ordinance makes targeted updates to the City's existing local amendments in California Building Code Sections 109.2 (Schedule of Permit Fees), 304.3 (Plan Review Fees), and 109.3 (Building Permit Valuations) so that all permit, plan review, and valuation-based fees are established and collected in accordance with the City of Willows Master Fee Schedule as adopted and amended by the City Council. Other than these fee-related clarifications, all previously adopted local amendments in Title 15 remain in effect and are carried forward to apply to the 2025 code cycle.

**Fiscal Impact:**

There is no fiscal impact by approving this action.

**WHEREAS**, the California Building Standards Code is published by the California Building Standards Commission in Title 24 of the California Code of Regulations on a triennial basis, and the next triennial edition, the 2025 California Building Standards Code, will be effective January 1, 2026, as required by state law, and; and

**WHEREAS**, state law authorizes cities to adopt by reference the California Building Standards Code and to adopt local amendments that are more restrictive when reasonably necessary due to local climatic, geological, or topographical conditions; and

**WHEREAS**, the City of Willows has previously adopted the California Building Standards Code by reference with local amendments, as codified in Title 15 of the Willows Municipal Code, and has adopted findings describing the local conditions that justify those more restrictive local amendments; and

**WHEREAS**, the City Council desires to adopt by reference the 2025 California Building Standards Code and to adopt local amendments thereto in Title 15 that are the same as, or substantially the same as, the existing local amendments adopted in prior code cycles, so that the City's building regulations remain aligned with current state standards and local conditions; and

**WHEREAS**, at least one copy of each of the codes adopted by reference in this ordinance has been, and will remain, on file in the office of the City Clerk of the City of Willows for public inspection, not less than fifteen days prior to the adoption of this ordinance, as required by Government Code section 50022.3; and

**WHEREAS**, the City Council finds that adoption of this ordinance is necessary to preserve the public peace, health, and safety by ensuring that all new construction, alterations, and repairs are designed and constructed in accordance with the most current building standards adopted by the State of California, together with locally justified amendments.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WILLOWS DOES ORDAIN AS FOLLOWS:**

**SECTION 1. BODY**

The City Council of the City of Willows hereby adopts by reference the 2025 California Building Standards Code, as published in Title 24 of the California Code of Regulations, together with the local amendments contained in Title 15 of the Willows Municipal Code, and directs that Title 15 be updated so that all references to prior code cycles are brought forward to the 2025 code cycle. The City Council re adopts its previously adopted findings describing local climatic, geological, and topographical conditions that support the City's more restrictive local amendments to the California Building Standards Code, as required by Health and Safety Code section 17958.7. Except as expressly amended by this ordinance, including the updated local amendments to California Building Code Sections 109.2, 304.3, and 109.3 described in Section 2, all existing local amendments to the California Building Standards Code contained in Title 15 remain in full force and effect and shall be construed as local amendments to the corresponding provisions of the 2025 California Building Standards Code.

**SECTION 2. AMENDMENT CLAUSE**

periodically adjusted for inflationary changes in labor and material costs, to assist in determining valuation. Final building permit valuation shall be set by the building official, and all fees based on building permit valuation shall be established and collected in accordance with the City of Willows Master Fee Schedule as adopted by resolution of the City Council, as it may be amended from time to time.

---

**Recommendation:**

Appoint a new Library Board Trustee to fill the unscheduled vacancy as a result of Lisa Kennedy's resignation effective August 28, 2025, for the remainder of her term ending June 30, 2028.

**Rationale for Recommendation:**

At the August 28 Special Library Board meeting, former Board Trustee Lisa Kennedy resigned creating a vacancy on the Board.

**Background:**

There are five Council appointed Trustees on the Library Board of Trustees with staggered terms. On August 28, 2025, Trustee Lisa Kennedy resigned from the Library Board of Trustees leaving a vacancy on the Board. Her term was scheduled to expire on June 30, 2028.

**Discussion & Analysis:**

On December 3, 2025, a subcommittee of the City Council consisting of Mayor Hutson and Councilmember Pride interviewed two library board candidates who applied for the vacant Library Board Trustee position: Councilmember Matt Busby and Laurel Hill-Ward.

The subcommittee did not reach a consensus on the recommendation to the full Council to fill the vacancy on the Library Board of Trustees. As a result, subcommittee members will share their perspectives regarding the merits of each application and the interviews with the full Council in an effort to formulate a Council motion to appoint one of the applicants to the Library Board of Trustees and complete the remaining term through June 30, 2028.

**Consistency with Council Priorities and Goals:**

This appointment is consistent with Council Priority #5: Quality of Life, Goal 1, Expand Youth and Adult Activities.

**Fiscal Impact:**

There is no fiscal impact by appointing a member of the public or Council to the Library Board of Trustees.

## APPLICATION FOR WILLOWS PUBLIC LIBRARY BOARD OF TRUSTEES

This document is a public record.

Date: November 2, 2025

To the Honorable Mayor and City Council.

I wish to serve on the Willows Public Library Board of Trustees on a voluntary basis.

Name: Laurel Hill-Ward Phone: 530-990-5134

Mailing Address: 6873 State Highway 162 Willows, CA 95988

Years in Area: Raised in Willows, left as young adult and returned 35 years ago.

### **I feel that I can be an asset to the Willows City Library in the above capacity because:**

My personal and professional background are grounded in literacy. As a lifelong reader with a career in education, I have experience that includes teaching students from young children through adult learners. I have a broad background in understanding the diverse needs of readers from varied backgrounds and at different stages in life. I was raised in Willows but also lived in Canada. After directing a daycare in a rural area there, my husband and I returned to Willows. In this area, I taught grades kindergarten through high school, including students with exceptional needs. Later, I was a fulltime, nontenured lecturer at Chico State University for 9 years and taught pedagogy to adults. I finished my career as a school administrator. Each chapter in my life has required a commitment to literacy for myself and others.

I also understand the challenge of being on a board from my experience serving on school boards as a trustee and/or administrator. Being a board member requires cooperation and the ability to compromise, grounded in preparation and research, both skills that are grounded in literacy. I'm committed to work with others to support our library and know that being an effective board member requires collaboration and a willingness to listen.

I will be committed to the continued success of the Willows Library. I also have a personal interest in the Willows Library, which played big part in my earliest memories of reading. My parents checked out books and read them to us, and when we were a little older, my dad, Oliver Hill, took us the library one evening a week to return and check out books. Later, as a high school and college student, I appreciated the Willows Library and other libraries as quiet places to study and do research.

### **My Library concerns are:**

Our library is a community asset, the loss of Glenn Medical points to the importance of maintaining our library. It is an asset to our community. My present concerns are below, but these concerns would be undoubtedly be refined and/or change by serving on the Willows Public Library Board of Trustees. Here are my current concerns.

- How can we encourage use of the library by people in our community?
- What efficiencies are in place that ensure fiscal responsibility for the library?

- What outreach is happening to encourage various groups in Willows to use the libraries? We encourage young families to use the library, but is there outreach to older students and senior citizens to use the library?
- Are we keeping up with other small communities on what their libraries offer?
- What grants are available to libraries in small towns?
- Are we offering expanded access to both print and nonprint media through affiliation with state and national libraries?

Subject: Cannabis Tax Ordinance – November 2026 Ballot

---

**Recommendation:**

Authorize the City Manager to execute a contract with HdL to prepare a Cannabis tax ordinance for the November 2026 ballot in an amount not to exceed \$24,000.

**Rationale for Recommendation:**

A voter approved Cannabis tax ordinance provides for a predictable and forecastable revenue stream, ensures political legitimacy, is more defensible in court, is less vulnerable to audit findings, prevents favoritism, allows a certain level of Council discretion, improves transparency and community trust, and enhances administrative efficiency.

**Background:**

On November 28, 2017, the Willows City Council approved Ordinance 736-2017 regulating cannabis cultivation sales and other activities in the city limits. On January 14, 2025, the City Council approved two ordinances amending Ordinance 736-2017 to allow Cannabis dispensaries to establish in Central Commercial and General Commercial and Light Industrial zones. In addition, on November 26, 2024, the Willows City Council approved Resolution 42-2024 modifying the distance requirements between Cannabis dispensaries and other land uses.

As a result of these changes in the city's Cannabis Ordinance, staff circulated a competitive solicitation for Cannabis dispensary applications in the spring of 2025 in an effort to issue the city's two available Cannabis dispensary licenses. A subcommittee of the City Council consisting of Vice-Mayor Thomas and Councilmember Pride, along with City staff, reviewed the three applications that were received by the application deadline. After careful consideration, the subcommittee recommended the applications of CaliLove and WWCRS dispensaries to the full Council and they were approved on August 26, 2025 and September 23, 2025, respectively. As part of the proposed terms in the applications, CaliLove negotiated an additional 2% Cannabis tax and WWCRS negotiated a 5% Cannabis tax.

## **Discussion & Analysis:**

By placing a Cannabis tax ordinance on the November 2026 ballot and seeking a voter approved tax, the city will reduce future litigation risk, ensure uniformity, support long-term financial planning, increase public transparency and build community trust. In addition, depending on how the Cannabis tax ordinance is drafted, it could allow for a tax range (e.g., 3% to 8%) and Council discretion in determining and implementing the Cannabis tax.

Negotiated tax agreements may look like backroom deals or favoritism, even if well-intended. In contrast, a voter approved tax is far more transparent and defensible in court. Public approval of a Cannabis tax translates into a stronger mandate and greater accountability for both the city and the Cannabis industry. In addition, a uniform tax applies equally ensuring consistency and fair treatment of all Cannabis businesses.

Furthermore, a tax provides consistent, forecastable revenue that can be projected in future years whereas negotiated agreements may be subject to renegotiation and change. A tax structure supports long-term financial planning.

Finally, a tax system is easier and more efficient to administer, audit, and enforce whereas individual agreements require separate monitoring and additional staff time and legal review. An established and approved tax structure would costs less to manage.

A voter approved Cannabis tax would ensure consistent and uniform taxation of both dispensaries, as well as allow for some level of Council discretion in the tax structure that could be adjusted over time and as needed.

## **Consistency with Council Priorities and Goals:**

The proposed project is consistent with Council Priority #1: Financial Stability, Goal 2: Seek Cost Savings and Revenue Generation Opportunities, and Priority #2: Economic Development.

## **Fiscal Impact:**

The proposed project is a one-time expense that will reduce the General Fund by a maximum of \$24,000.

### **Re: Proposal for Cannabis Management Services**

Dear Ms. Brown,

Thank you for the opportunity to submit this proposal for cannabis management services for the City of Willows. The enclosed scope of services provides a comprehensive program to provide a series of meetings with City Council members to discuss commercial cannabis issues, development of a draft commercial cannabis tax measure to be placed on the November 2026 ballot, and additional hours of general subject matter expertise to be used as needed or requested by the City. The proposal also describes a number of optional services for the City's consideration.

HdL is recognized as the industry leader in the development, implementation and enforcement of cannabis management programs for local governments in California. ## II. PROPOSED SCOPE OF SERVICES

---

The City of Willows has a commercial cannabis retail program that allows for no more than 2 retailers within the City. The City initially required restrictive zoning and setbacks from sensitive uses that severely limited the allowable locations for cannabis retailers, but these requirements were relaxed in January of 2025 to allow greater flexibility in locating the retailers.

The City has accepted two cannabis retailer applicants which are currently completing tenant improvements and are anticipated to open sometime after the first of the year. As a condition of their permit, each cannabis business is required to enter into a negotiated development agreement with the City, which includes a provision to provide a portion of revenue to the City. One business has negotiated a rate of 5% of gross receipts, while the other has negotiated a rate of 2%.

The City is now exploring whether to replace the revenue component of the development agreements with a cannabis business tax, which would have to be placed on the November, 2026 ballot for voter approval. The City has requested that HdL Companies provide a scope of services designed to assist the City with the various steps needed to get direction from Council and prepare a draft cannabis tax ordinance for the ballot. The scope of services will include all of the following:

- A series of “2/2/1 meetings” with members of the City Council, individually or in pairs, to provide an overview of the regulated cannabis industry in California, considerations for developing a retail cannabis tax ordinance, and a discussion of the steps necessary to place the measure on the ballot.
- Development of a draft cannabis business tax ordinance to be placed before the voters on the November 2026 ballot. The ordinance would establish a maximum tax rate for any or all types of cannabis businesses and would allow the Council to set the rate as they see fit up to the maximum rate, including different rates for different types of cannabis businesses if desired.
- Additional hours of general subject matter expertise to be used as needed by the City for any cannabis-related issues or questions that are not otherwise addressed within this scope of services.

This scope of services is provided in a “menu” format so that the City may select which services it wishes to move forward with. The proposal also describes a number of optional services that may be of interest to the City, including the following:

- A cannabis retail market analysis to provide an estimate of the amount of revenue that may be generated from cannabis businesses within the City and recommendations on setting appropriate cannabis tax rates.
- A presentation at a public workshop or City Council meeting to help inform and guide discussion of developing a cannabis tax ordinance, or to explore other issues as may be requested by the City.
- Attendance at a City Council meeting for the first reading of the draft ordinance.

### **Objective 1: Meetings with City Council Members**

HdL shall conduct a series of meetings with City Council members either individually or in pairs to help inform discussion and development of a potential cannabis tax ordinance and associated ballot measure. These “2/2/1” meetings will include a presentation designed to provide a general overview of the regulated cannabis industry in California, a discussion of the pros and cons of both development agreements and a voter-approved tax, considerations for developing a retail cannabis tax ordinance, and a discussion of the steps necessary to place the measure on the ballot. This series of 3 meetings would be billed as a single meeting under this proposal.

The use and scheduling of these meetings would be determined in consultation with City staff. This objective assumes that all meeting attendance would be virtual. Physical attendance would incur an additional travel charge.

### **Objective 2: Develop Draft Cannabis Tax Ordinance**

HdL shall develop a draft commercial cannabis tax ordinance to generate City revenues from licensed cannabis businesses. The ordinance will set maximum tax rates for each type of cannabis business permitted by the City and will allow the City Council to set the rates as desired up to the maximum rate. The ordinance shall also specify the schedule and procedures for remitting taxes and shall allow the City to conduct audits of cannabis businesses to ensure they are reporting and remitting the proper amounts.

HdL may also provide the ballot resolution as necessary to place the tax measure on the ballot and/or revenue projections to include in the ballot statement. If requested, these additional services shall be billed at HdL’s hourly rate under Objective 3, below.

### **Objective 3: Technical Assistance and Subject Matter Expertise**

HdL will provide up to 30 hours of general consulting to be utilized on an as-needed basis at the City’s request.
