**Recommendation:**

Review and discuss Measure I revenue generation since April 1, 2025, and evaluate how actual Measure I revenues are tracking compared to FY 2025-26 budget projections.

**Rationale for Recommendation:**

At the July Finance Committee meeting, Committee Members requested that updates on the status of Measure I, 1.5% sales tax revenue generation, be part of every future Committee meeting.

**Background:**

In November 2024, Willows voters approved Measure I, a 1.5% sales tax increase. As part of the sales tax ordinance, the City of Willows also committed to regular updates on the progress and status of Measure I revenue generation to be presented at FMIOC's quarterly meetings.

**Discussion & Analysis:**

For FY 2025-26 Measure I is trending very close to HdL's projected revenues of \$2,155,904. The current FY 2025-26 budget projects \$2,156,000. To date, the city has received four months of Measure I revenues in FY 2025-26 totaling \$717,678.19 (Attachment 1).

Since April 1, 2025 (Q4 FY 2024-25), the City has received a total of \$1,105,561.72 of Measure I sales tax (Attachment 2).

**Consistency with Council Priorities and Goals:**

To fund General Fund services, the General Fund Reserve, and Apparatus Replacement Fund.

**Fiscal Impact:**

There is no fiscal impact by receiving this report and attachments.

Date: January 20, 2026  
To: Finance and Measure I Oversight Committee  
From: Marti Brown, City Manager  
Subject: FY 2025-26 Revenues and Expenditures versus Approved Budget

---

**Recommendation:**

Review and discuss budget revenues and expenditures compared to the approved FY 2025-26 Budget.

**Rationale for Recommendation:**

As outlined in the Finance and Measure I Oversight Committee (FMIOC) Bylaws, the January meeting of FMIOC is required to:

*Review and track consistency of actual expenditures with the approved budget, as well as Measure i revenue progress. Meeting results and any recommendations to be presented to the entire Council within one month of the January FMiOC meeting.*

**Background:**

As outlined in the FMIOC Bylaws, there are four quarterly FMIOC meetings per year. Each meeting focuses on different areas of the City's budget and financial management. The January meeting focuses on financial reports as they relate to expenditures versus the approved budget. The complete [FMIOC Bylaws](#) can be found on the City's website.

**Discussion & Analysis:**

As the 301 General Fund Budget Report Summary (Attachment 1) illustrates, the city has experienced the following increases and decreases in individual General Ledger (GL) accounts. The changes in the budget, revenues and expenses will be reflected in the forthcoming Mid-Year Budget Adjustment and Review in March 2026.

**Non-Departmental**

- 66021 Tyler Upgrade - Tyler Technologies refund due to less usage of training resources.

**City Attorney Department**

- 40300 Travel – Refund of Sacramento Valley Division meeting.

### **City Manager Department**

- 40300 Travel & Training – Payment for City Manager and Community Development & Services Director to attend the League of California Cities’ City Manager Conference in February 2026.
- 40999 Special Department – \$10,000 approved by the City Council for the City’s 140<sup>th</sup> Birthday event was coded to this account.

### **Community Development Department**

- 40010 Part-Time Salaries – Taryn Richardson was hired as a part-time temporary employee, which was included in the Council approved budget; however, it was allocated to a different GL account.

### **City Wide Department**

- 40006 Health Insurance – The increase is due to the rising cost of employee health insurance. Fire Risk Management (the city’s prior health insurance) discontinued offering health insurance as of December 31, 2025. This was an unavoidable increase.
- 40602 General Liability – There was an overall increase in liability insurance due to the rising cost of insurance in the State of California.
- 41000 Materials & Supplies – There were replacements of outdated computers.
- 48001 Interest – There has been an increase in taxable pension obligations.

### **City Hall Department**

- 41300 Professional Service – The library ceiling partially collapsed. While most, if not all, of the repairs will be paid for by the city’s insurance, the initial costs were advanced by the city’s General Fund. To date, the City has received \$33,000 from the insurance company. All the remaining invoices for this project were recently received and paid. The final insurance claim will be submitted and processed within the next 30 days.

### **Library Department**

- 44000 Contractual Service – Unfunded liability insurance for the library’s State internet connection. Staff did not quite budget enough for this service.

### **Public Works Department**

- 41000 Materials and Supplies – More sprinklers were needed for the parks than anticipated in the budget.
- 43100 Equipment Maintenance – The Leaf Truck required repairs before “leaf season.” The repairs were not anticipated and/or budgeted for.

### **Fire Department**

- 40002 Overtime – The increase in overtime is as a result of considerable Strike Team activity, which will be reimbursed by the State’s Office of Emergency Services (OES).

- 40007 FICA – The increase in this account is as a result of Strike Team activity and will also be reimbursed by OES.
- 40999 Special Projects – The increase is the cost of forensic debris analysis, boots and a hydrant wrench related to a structure fire.

The following 318 Sewage Fund Budget Report Summary (Attachment 2) includes increases and decreases in individual General Ledger (GL) accounts. The changes in the budget, revenues and expenses will be reflected in the forthcoming Mid-Year Budget Adjustment and Review in March 2026.

#### **Revenue**

- 72020 Sewer Service Fee – There is \$255K of revenue that has not yet been posted to this GL account. It has been deposited, but it's not yet reflected in the Summary Report. All deposits will be posted by the end of January.
- 79900 Miscellaneous Revenues - The \$33,550 needs to be allocated to the previous fiscal year. The correction will be reflected once the audit has been adjusted. This was payment for the Arbuckle Sewer District. The City provided a temporary service with the District while its normal sewage service provider's sewer plant (City of Williams) was temporarily non-operational.

#### **Expense**

- 138 - Public Works:
  - 41000 Materials & Supplies – Use of these funds were for propane at the lift stations.
  - 43100 Equipment Maintenance – These funds were used for a battery generator pack.
- 180- Sewer:
  - 40004 CalPERS – These funds were used to pay a portion of employees' CalPERS pension.
  - 40006 Health Insurance – This increase in costs were as a result of changing health insurance, because Fire Risk Management no longer offers health insurance. This payment was for the Sewage Funds portion of the health insurance.
  - 40500 Dues & Subscriptions – Expenses from this account are for the city's membership to Central Valley Clean Water Association (CVCWA) (which the city needs).
  - 40601 Workers Compensation Cost – This expense was not budgeted for in the FY 2025-26 budget.
  - 40602 General Property Insurance – The city's commercial insurance increased from \$12K to \$22K.

- Professional services:
  - 40900 Cost Allocation – This has been budgeted for and will be allocated (e.g., interfund transfer) at the end of the fiscal year.
  - 41300 – There was a double journal entry. As a result, an adjustment of \$110,000 was completed. The new correct balance is \$33,000.

**Consistency with Council Priorities and Goals:**

This agenda item is consistent with the Council's Priority #1: Fiscal Stability.

**Fiscal Impact:**

There is no fiscal impact by reviewing and discussing FY 2025-26 expenditures versus the approved budget.
